Basic Information

- Place of Origin: America
- Brand Name: Caterpillar
- Model Number: 330DL
- Minimum Order Quantity: 1set
- Price: 45000-58800 USD
- Packaging Details: Container,Bulk
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: About 4 units are supplied every month

Product Specification

- Brand: CAT
- Gradeability: 70
- Fuel Tank: 620
- Walking Speed: 3/5km/h
- Working Weight: 36151kg
- Bucket Capacity: 0.7-2.2m³
- Rated Power: 200/1900KW
- Max Digging Depth: 7390mm
- Highlight: **620 Fuel Tank Used CAT Excavator,
Used CAT 330DL Excavator,
Second Hand CAT 330DL Excavator**

Product Description

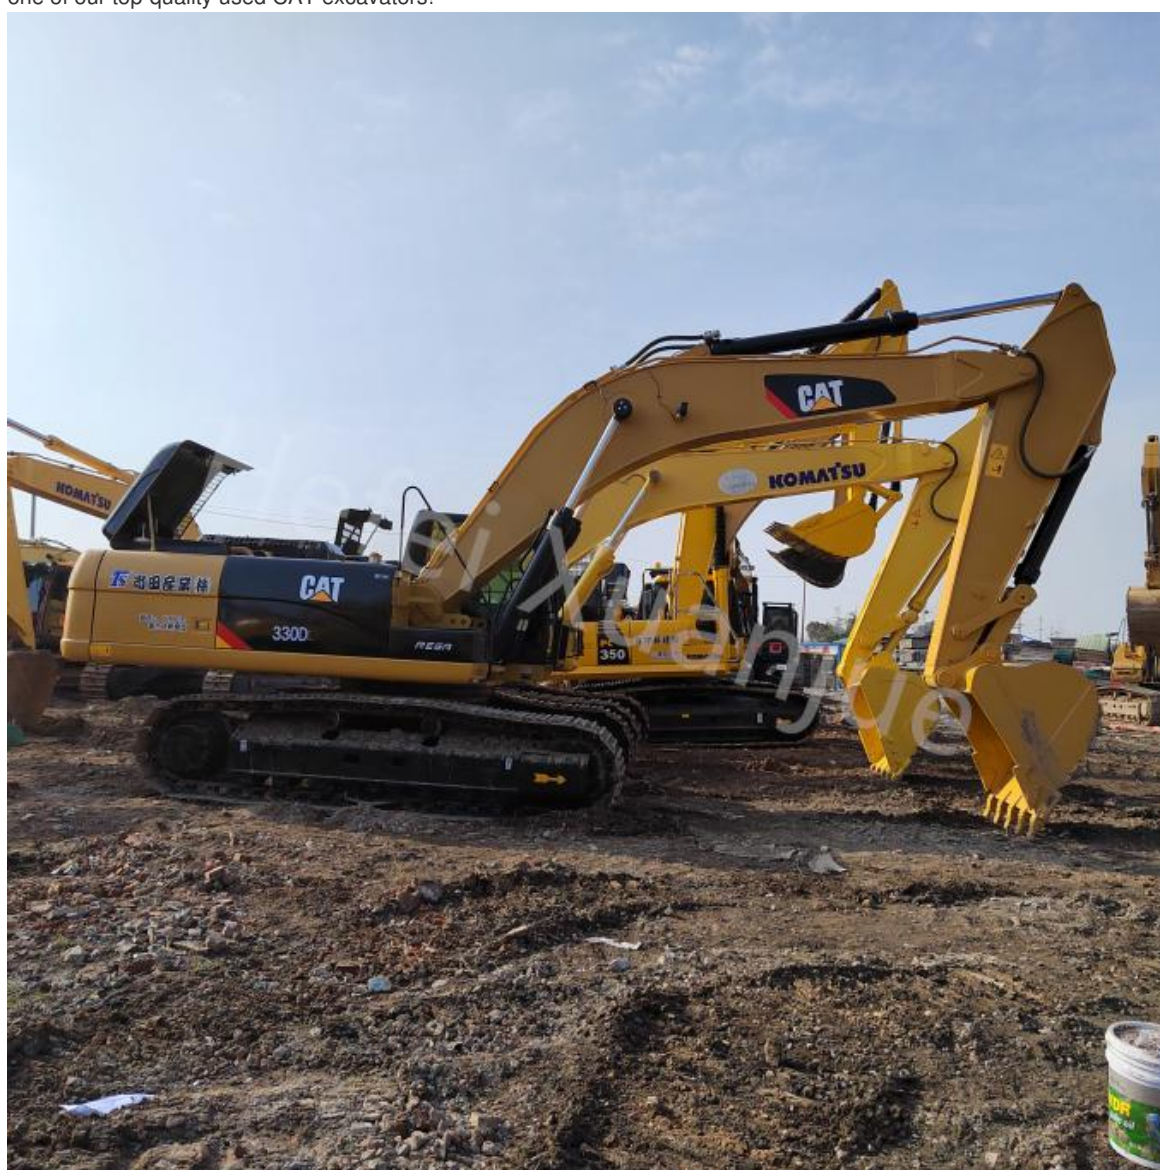

CAT 330DL In 2021 With 200/1900KW Rated Power Caterpillar Excavators With 620 Fuel Tank

Product Description:

Our Used CAT Excavators are heavy duty excavators that are perfect for any construction project. They are second hand excavators that have been thoroughly inspected and refurbished, ensuring that they are of the highest quality and performance. With our used CAT excavators, you can expect high efficiency and cost-effectiveness, making them an excellent investment for your construction needs.

Equipped with a powerful C9 ACERT engine, our used CAT excavators have the strength and durability to handle even the toughest jobs. With a gradeability of 70%, these excavators can easily navigate through uneven terrain, making them suitable for a wide range of construction sites.

In conclusion, our Used CAT Excavators are the perfect choice for those in need of heavy duty excavators that offer high efficiency and cost-effectiveness. With their powerful engine, excellent gradeability, and versatile bucket capacity, these excavators can handle any construction task with ease. So why wait? Contact us today and get your hands on one of our top-quality used CAT excavators!

Applications:

The Used CAT Excavators are second hand excavators that have been refurbished and restored to their original condition. These excavators are made by Caterpillar, a trusted brand in the construction industry known for their top-notch equipment. The model number for these excavators is 330DL and they are made in America. The Used CAT Excavators are perfect for a wide range of construction projects, including but not limited to digging, trenching, and demolition. These excavators are highly versatile and can be used in various terrains and conditions. They are suitable for both small and large-scale projects, making them a cost-effective choice for any construction company.

There are several reasons why the Used CAT Excavators are the preferred choice for many construction companies:

High-quality construction: Made by a trusted brand, these excavators are built to last and withstand the toughest working conditions.

Cost-effective: As second hand excavators, they are more affordable than new ones, making them a budget-friendly option.

Versatile: The Used CAT Excavators can be used for a wide range of construction projects, providing great value for money.

Reliable performance: These excavators offer reliable and efficient performance, ensuring smooth and uninterrupted operation.

Easy maintenance: As CAT digging machines, these excavators are easy to maintain and service, reducing downtime and increasing productivity.

Don't miss out on the opportunity to own a high-quality and efficient excavator at an affordable price. Choose the Used CAT Excavators for all your construction needs and experience the difference in performance and durability. Contact us now to learn more and place your order!

Packing and Shipping:

Packaging Process

All parts are thoroughly inspected and cleaned before packaging.

Each excavator is disassembled and packaged in individual crates.

Heavy-duty packaging materials are used to protect the excavator during transportation.

Crates are labeled with the excavator's model number for easy identification.

All necessary documentation and manuals are included in the packaging.

Shipping Process

We use trusted and reliable shipping partners to deliver our excavators.

Excavators are shipped via land, sea, or air depending on the destination.

We carefully track the shipment to ensure timely delivery.

Our shipping team ensures that all necessary customs and import procedures are followed.

Upon arrival, our team will assist with unloading and assembly of the excavator.

With our careful packaging and shipping processes, you can trust that your Used CAT Excavator will arrive safely and ready to work for you.
